

In partnership with the **Barclays Digital Eagles team**, the Trust will be delivering programmes to boost u3a members' confidence online. The first sessions for u3a members were completed last week and were well attended with over 200 participants across the five days of workshops. We have now reviewed the feedback with the trainers and identified the workshops that were most popular and beneficial to the membership and arranged further dates as follows:

### **An Introduction to Digital Wings**

[Wednesday 12th May 10:00-11:30](#) or

[Wednesday 12th May 13:30-15:00](#)

For those who are looking to improve their digital skills further, whether you're a beginner or more advanced this session will introduce you to our free learning platform Digital Wings. We will give you a tour and show you some ways to get the best from the site so you can continue your learning at the right time and pace to suit you. This session will not cover previous topics but is a session to recap and answer questions for attendees from the previous sessions.
