

## Dying Matters Week Awareness Events

For Islington residents & professionals

During 'Dying Matters Awareness' week **8 - 14 May 2023**, communities are encouraged across the country to come together to talk about death, dying and grief: '[Dying Matters Awareness Week | Hospice UK](#)'. **Future Matters** is offering a series of **free** events:

1. **Dying for a Cuppa: Islington Green** 22 Upper Street, London N1 1XR, corner of Upper Street/Essex Road.  
Enjoy a free tea/coffee and chat to members of the Future Matters team about **Advance Care or End of Life planning** including Advance Care Plans, Lasting Powers of Attorney, Wills and Funeral planning. We will happily talk them through with you. No booking is necessary.
2. **Death Café at Caffé Estorick** 39a Canonbury Square, London N1 2AN  
Find a warm welcome and interesting discussion about anything to do with 'end of life' and death. No two Death Cafés are ever the same! People are often surprised by the touching, useful and quite often light-hearted conversations.
3. **Lasting Powers of Attorney (LPA) & Wills** online event  
Make sure you have a spokesperson and your wishes are known. From paying bills to making important decisions, everyone should have one. Attend the zoom presentation and learn everything you need to know about LPAs and Wills.

For further information and to register for the Death Café and LPA events via Eventbrite refer below:
